		C-ZS10
Capacity	m ³ / ft ³	10/353
Recommended Power	Minimum HP	60
PTO	RPM	540
Auger speed	RPM	18 / 32
Knives	Pcs.	7
A	mt / in	4.5/177
C	mt / in	3/119
B	mt / in	2.9/115
Track Width	mt / in	1.7/67
Outer width of wheels	mt / in	2/81.5
Empty Weight*	kg	2,700
Max mixing Load*	kg	3,500

DYET is here to provide farmers with efficient, innovative and reliable feeding solutions by designing and manufacturing high-quality equipment.

We dare to design the future of livestock feeding with our clear core values:

- Quality
- Excellence
- Reliability
- Innovation
- Animal Health
